

THERESA GREENFIELD

FOR IOWA

Joni Ernst has taken millions of dollars in contributions from corporate PACs and big oil. It's no surprise she voted for a fossil-fuel lobbyist to head the EPA — *devastating our ethanol industry.*

Theresa Greenfield refuses corporate PAC contributions. She will always put Iowa farmers ahead of Washington special interests — *protecting our ethanol industry.*

**THERESA GREENFIELD WILL PUT
IOWA'S FARMERS FIRST — ALWAYS**

**Vote Theresa Greenfield
for U.S. Senate**

Election Day is Tuesday, November 3
